PROFILE

Experienced Program Manager and Security Specialist with over a decade of expertise in managing comprehensive security operations for the U.S. Navy and private sector. Demonstrated success in leading teams of up to 300 personnel and managing budgets exceeding \$3M across multiple assignments. Successfully conducted over 250 security inspections, 100 program reviews, and implemented innovative security measures that enhanced program performance. Adept at advising senior leadership on complex security matters, resulting in improved compliance and operational efficiency. Proven track record of driving strategic initiatives that meet all objectives and milestones.

Availability hours: I'm available Monday-Friday, flexible with the start/end time, and overtime/weekends

WORK EXPERIENCE

Security Specialist

COLSA
