## COVER LETTER

---

Dear Hiring Manager,

After learning about the **Construction Manager** position, I was immediately drawn to your company's commitment to **innovation and sustainability** in construction. The work your organization has done resonates deeply with my passion for delivering projects that are not just structurally sound but also pioneering in design and execution.

With over **25 years of experience** managing and delivering high-profile construction projects across the **United States, Puerto Rico**, and beyond, I am confident that my skills and expertise would be a valuable asset to your team. I have successfully overseen the full lifecycle of numerous projects, from initial design to final execution, with a strong focus on **quality, safety, and efficiency**.

In my previous roles, I have managed over **150 Costco projects**, as well as commercial projects for esteemed brands such as **Starbucks, Hilton, Alaska Airlines, Tesla**, and **Apple**. Whether leading teams, coordinating with subcontractors, or ensuring compliance with industry standards, I have consistently delivered projects **on time, within budget**, and to the highest quality standards.

### Key highlights of my experience include:

- **Leading diverse teams** of architects, engineers, and contractors to drive efficiency and collaboration.
- **Overseeing interior finishes** for high-profile projects such as **Williams-Sonoma, Sephora**, and **Pottery Barn**.
- **Logging over 3 million air miles** to ensure seamless project execution across multiple regions.
- **Achieving a 95% client satisfaction rate** through effective communication, problem-solving, and delivering results that meet and exceed expectations.

I am particularly excited about the opportunity to bring my **expertise in construction management** and **passion for sustainable building practices** to your organization. I have attached my resume for your review and would welcome the opportunity to discuss how my experience can contribute to the success of your upcoming projects.

Please contact me at your earliest convenience to arrange an interview. Thank you for your time and consideration.

Kind Regards,

**Kenneth R. Lorenz**
