EXPERIENCE

Program Manager

United States Navy

📅 01/2020 - Present 📍 Tinker AFB, OK

- Led a team of 300 personnel in managing comprehensive security programs, including emergency management, anti-terrorism, and physical security.
- Administered a \$2M budget, ensuring effective tracking and allocation of resources.
- Developed and enforced security policies and standards, leading to enhanced program performance.
- Provided mentorship and professional development to security professionals across all levels.
- Successfully met all program objectives, milestones, and deliverables.

Assistant Security Officer/Anti-terrorism Officer

United States Navy

📅 02/2017 - 01/2020 📍 Jinhae, South Korea

- Directed the implementation of integrated Emergency Management and Physical Security programs, overseeing a \$1M budget.
- Conducted over 100 safety and security program reviews, introducing innovative revisions.
- Managed the scheduling and operations of 180 staff members, ensuring optimal security coverage.
- Led force protection analyses, identifying and mitigating AT/FP vulnerabilities.

Watch Commander

United States Navy

📅 01/2013 - 02/2017 📍 Seal Beach, CA

- Trained and managed new recruits in tactical warfare, maintaining a secure environment during high-stress situations.
- Investigated over 150 incidents, leading to the identification and correction of vulnerabilities.
- Supervised the safeguarding of classified information and conducted over 2,000 security inspections.

Assistant Physical Security Officer

United States Navy

📅 11/2010 - 01/2013 📍 Sigonella, Italy

- Assisted in the design and management of security systems, including CCTV and intrusion detection.
- Conducted physical security surveys and risk analyses, improving site security measures.
- Collaborated on the implementation of cybersecurity solutions within Industrial Control Systems (ICS).
- Conducted periodic physical inspections of the Secret and Top-Secret facilities.
- Conducted over 150 physical security surveys, facility threat assessments, and risk analyses at Postal Service and contracted facilities utilizing vulnerability risk assessment tools.
- Helped identify operational issues and implement design alterations to address these issues.

AVAILABILITY HOURS

I'm available Monday-Friday, flexible with the start/end time, and overtime/weekends.

SUMMARY

Dynamic and seasoned security professional with over 21 years of military experience in Emergency Management, Physical Security, Antiterrorism, and Program Management.
