Program Manager

(405) 651-3097 @ jbattle0208@gmail.com https://www.linkedin.com/in/jarvis-battle-902852152/ Edmond

EXPERIENCE

Program Manager

United States Navy

01/2020 - Present Tinker AFB, OK

- Led a team of 300 personnel in managing comprehensive security programs, including emergency management, anti-terrorism, and physical security.
- Administered a \$2M budget, ensuring effective tracking and allocation of resources.
- Developed and enforced security policies and standards, leading to enhanced program performance.
- Provided mentorship and professional development to security professionals across all levels.
- Successfully met all program objectives, milestones, and deliverables.

Assistant Security Officer/Anti-terrorism Officer

United States Navy

02/2017 - 01/2020 Jinhae, South Korea

- Directed the implementation of integrated Emergency Management and Physical Security programs, overseeing a \$1M budget.
- Conducted over 100 safety and security program reviews, introducing innovative revisions.
- Managed the scheduling and operations of 180 staff members, ensuring optimal security coverage.
- Led force protection analyses, identifying and mitigating AT/FP vulnerabilities.

Watch Commander

United States Navy

01/2013 - 02/2017 Seal Beach, CA

- Trained and managed new recruits in tactical warfare, maintaining a secure environment during high-stress situations.
- Investigated over 150 incidents, leading to the identification and correction of vulnerabilities.
- Supervised the safeguarding of classified information and conducted over 2,000 security inspections.

Assistant Physical Security Officer

United States Navy

11/2010 - 01/2013 Sigonella, Italy

- Assisted in the design and management of security systems, including CCTV and intrusion detection.
- Conducted physical security surveys and risk analyses, improving site security measures.
- Collaborated on the implementation of cybersecurity solutions within Industrial Control Systems (ICS).
